Application Instructions

Circled letters on the form above correspond to the instructions below. **You must complete all shaded areas.**

A. Do not leave blank. Enter “N/A” if not applicable or if you are a first time voter.

B. Provide the complete street address of your Texas voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in item 7. For example: “on Highway ____, 2 miles past Highway ____, across the street from the ____ gas station.” This address must be different from the one provided in Item 4 and must be within the county or township where you claim legal voting residence.

C. Print the complete address where you want your ballot sent - usually your current mailing address. The mailing address must be an address outside the county of voting residence or an address anywhere in the U.S. (including an address within the county of voting resi-

dence) used for forwarding or delivery of an early voting ballot to you at a location outside the U.S.

D. If you do not list a party affiliation, you cannot vote in primary elections. You must indicate your political party affiliation when applying for a primary ballot (Example: Democrat, Republican) or write “none” in Item 6 of the FPCA. Political party affiliation is not required if you request early voting ballots only for general elections.

E. If the address given in Item 4 is within the county of your voting residence, you must state that the balloting materials will be forwarded to you at an address outside the U.S. If you want a state special write-in ballot in lieu of an officially printed ballot, you must include a statement to that effect (military only).

F. Check ONE box.

G. The applicant must sign and date the FPCA for it to be processed by the local election official.

I. UNIFORMED SERVICES

A. Who Can Do It

These procedures apply to persons who are U. S. citizens, residents of Texas, and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

The term “early voting” refers to Texas election procedures which allow citizens to vote by mail or in person 17 days before the election without a reason. References to “absentee voting” have been changed to “early voting.”

B. When To Do It

A single FPCA may serve as a request for primary, runoff, general, and special election early voting ballots in a calendar year.

(1) **To register temporarily and request an early voting ballot for local, state and Federal offices**, send a completed FPCA to the early voting clerk conducting the election to arrive not earlier than January 1st of the year of the election and not later than the 30th day before the election. (Generally, the authority ordering the election appoints the early voting clerk, e.g., county, city, school district, water district). If the 30th day before the election is a Saturday, Sunday or a legal state or national holiday, your FPCA must be submitted by the preceding business day. However, if the election is held in January or February, you may submit your FPCA so that it arrives not earlier than 60 days before the election, even though it may arrive in the preceding calendar year.

If you submit your FPCA between the 29th and the 7th day before the election and you are **not** permanently registered, you will receive a ballot for Federal offices only. However, for elections during the remainder of the calendar year, you will receive ballots for local, state and Federal offices.

To register permanently, use the FPCA to request the Texas voter registration form from the county registrar. You may also contact the Texas Secretary of State’s office toll-free at 1-800-252-VOTE (8683) or via the Internet at www.sos.state.tx.us to obtain a Texas voter registration form. Complete the Texas voter registration form and return it to the county registrar postmarked not later than 30 days before the election. If the 30th day

before an election is a Saturday, Sunday, or a legal state or national holiday, your application submitted by mail will be considered timely if it is postmarked the next business day.

Once permanently registered, you will receive ballots for all local, state and Federal offices for all elections as long as your FPCA is received by the early voting clerk not later than seven (7) days before the election.

(2) Return your voted ballot so that it arrives by the close of polls on election day. If you are casting a ballot from outside the U.S., it must be placed in delivery by 7:00 p.m. on election day so that it arrives at the early voting clerk’s offices according to the following timetable:

- Not later than five (5) days after the general election for state and county officers (includes Federal offices).
- Not later than two (2) days after the date of any election other than the general election for state and county officers (e.g., primary, special, school trustee, and city elections).

Local election officials mail early voting ballots approximately 45 days before the election.

If you are outside the U.S. and have not received your state ballot in a timely manner, use the Federal Write-In Absentee Ballot. See instructions in Chapter 2, page 12.

C. Oath/Witness Requirements

No registration or voting materials are sworn to or witnessed.

D. Electronic Transmission of FPCAs and Ballots

- Texas allows you to send the FPCA by fax. After faxing, submit the FPCA by mail.
- Texas does not allow you to receive the blank ballot by fax.
- Texas allows you to return the voted ballot by fax if you are a member of the U.S. Armed Forces on active duty overseas, or the spouse or dependent of the member, and you are casting the ballot from an area in which members of the Armed Forces are eligible to receive hostile fire pay or imminent danger pay, or that has been designated by the President of the U.S. as a combat zone.

Please refer to Appendix C for specific instructions when transmitting election materials electronically. **Use only the following numbers:**

DSN 223-5527

E. Special Write-in Ballot

Texas provides a state special write-in absentee ballot if you are unable to cast a ballot on election day or during the regular period of early voting because of a military contingency. You may use this state special write-in ballot to write-in the name of an official candidate. If you apply for a state special write-in ballot, you will not be sent the official regular ballot from the state, unless the officially-printed ballot is available for mailing at the time your FPCA is received.

You may apply for this state special write-in ballot not earlier than the 180th day before the election. If you wish to receive a state special write-in ballot for any election held outside the 180 days of submission of your initial FPCA, you must make another request for the state special write-in ballot.

To request the state special write-in ballot, indicate in Item 7 of the FPCA “state special write-in ballot.” The ballot will be mailed as soon as your FPCA has been approved by the early voting clerk.

Instructions continue in Section III: Uniformed Services & Civilians Outside U.S.

II. CIVILIANS OUTSIDE U.S.

A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of Texas, and overseas citizens. The term “**overseas citizen**” means a U.S. citizen who resides outside the U.S., whose intent to return is uncertain, and (but for such residence) would be qualified to vote in Texas.

The term “**early voting**” refers to Texas election procedures which allow citizens to vote by mail or in person 17 days before the election without a reason. References to “absentee voting” have been changed to “early voting.”

- Texas residents temporarily residing outside the U.S. (for local, state, and Federal office ballots)
- overseas citizens (for Federal office ballots only)

B. When to Do it

A single FPCA may serve as a request for primary, run-off, general and special election early voting ballots in a calendar year.

(1) **To register temporarily and request an early voting ballot for local, state and Federal offices**, send a completed FPCA to the early voting clerk conducting the election to arrive not earlier than January 1st of the year of the election and not later than the 30th day before the election. (Generally, the authority ordering the election appoints the early voting clerk, e.g., county, city, school district, water district). If the 30th day before the election is a Saturday, Sunday or a legal state or national holiday, your FPCA must be submitted by the preceding business day. If the election is held in January or February, you may submit your FPCA so that it arrives not earlier than 60 days before the election, even though it may arrive in the preceding calendar year.

If you submit your FPCA between the 29th and the 7th day before the election and you are not permanently registered, you will receive a ballot for Federal offices only. However, for elections during the remainder of the calendar year, you will receive ballots for local, state and Federal offices.

To register permanently, use the FPCA to request the Texas voter registration form from the county registrar or via the Internet at www.sos.state.tx.us. Complete the Texas voter registration form and return it to the county registrar postmarked not later than 30 days before the election. If the 30th day before an election is a Saturday, Sunday, or a legal state or national holiday, your application submitted by mail will be considered timely if it is postmarked the next business day.

Once permanently registered, you will receive ballots for all local, state and Federal offices for all elections as long as your FPCA is received by the early voting clerk not later than seven (7) days before the election.

Permanent registration is applicable to all Texas residents temporarily outside the U.S. who have an intent to return to Texas.

(2) The voted ballot must be placed in delivery by 7:00 p.m. on election day so that it arrives at the early voting clerk’s office according to the following timetable:

- Not later than five (5) days after the general election for state and county offices (includes Federal offices).

- Not later than two (2) days after the date of any election other than the general election for state and county officers (e.g., primary, special, school trustee, and city elections).

Local election officials mail early voting ballots approximately 45 days before the election.

If you have not received your state ballot in a timely manner, use the Federal Write-In Absentee Ballot. See instructions in Chapter 2, page 12.

C. Oath/Witness Requirements

No registration or voting materials are sworn to or witnessed.

D. Electronic Transmission of FPCAs and Ballots

- Texas allows you to send the FPCA by fax. After faxing, submit the FPCA by mail.
- Texas does not allow you to receive the blank ballot by fax.
- Texas does not allow you to return the voted ballot by fax.

Please refer to Appendix C for specific instructions when transmitting election materials electronically. **Use only the following numbers:**

Instructions continue in Section III: Uniformed Services & Civilians Outside U.S.

III. UNIFORMED SERVICES & CIVILIANS OUTSIDE U.S.

A. Bars to Registration and Voting

Convicted felons while serving their sentence, parole or probation and persons declared mentally incompetent by final judgment of a court may not register or vote.

B. Cancellation of Registration

Temporary registration is canceled at the end of each calendar year. Change of residence may trigger being placed on the suspense list and could result in cancellation of permanent registration. If cancellation of registration occurs, re-registration is required.

C. Action on Registration Requests

You will receive a notice of denial if your FPCA is rejected.

D. Action If Registration Is Denied

If registration is denied, provide the information requested in the notice of denial. If registration is again denied, consult a legal assistance officer or civilian counsel.

E. Where To Send It

Mail the FPCA to the Early Voting Clerk, county of voting residence, as listed below, for primary, runoff and general elections. For any elections other than Federal, state and county office elections or any other election conducted by the county, send a separate FPCA to the early voting clerk conducting that election. Addresses for a particular jurisdiction can be obtained by contacting the county clerk or elections administrator in that area or the administrative officers of the political subdivision conducting the election. Requests for a Texas voter registration form must be mailed to the County Registrar.
